HEAT Swimmers to Attend Speed Meet

Three HEAT swimmers will compete on Monday night at the CCAA Speed Meet, bringing the fastest CCAA swimmers together to try to make their Q-Times for STAGS.

Shelby R., Kirsten K. and Mark V. have qualified to swim in two events each.

Shelby and Kirsten will try to make the STAGS team. Mark joins his brother David in making the STAGS team in individual events and a relay.

Swimmers that do not make their times at the Speed Meet, will get one more opportunity at Cupid's Classic on Sunday, at the CC Natatorium. Good Luck Swimmers!

HEAT Swimmers Compete in Polar Bear Relays

Last Sunday saw seventeen HEAT swimmers compete against the other three CCAA clubs at the 2nd Annual Polar Bear Relays.

Our swimmers did well – taking many first, second and third place finishes. Most of our swimmers competed in six or seven relays.

Congratulations to Emily and Michael Boyson who competed in their first CCAA swim meet.

Valentine Chocolate Rose Sale

The second order of 1800 chocolate roses are almost all handed out. An additional 1080 roses will be ordered Monday and should arrive on Thursday. Swimmers will have until February 15th to complete their sale. If you need another box, please let Miss Vicki know and she will have it there for you after practice. Once you have sold a box of roses, please turn your monies in. Make sure that the money is in an envelope and labeled with your name and the amount that is in the envelope.

Swimmers, remember, if you sell three boxes, you can choose either a CCAA Hooded Sweatshirt or a Team Wrap as your prize.

Team Wear Orders

Swimmers and families that ordered Team Wear will begin receiving their order in the next two weeks. The Team Wraps are being screen-printed and embroidered. The t-shirts have been ordered, as are the car decals parent/officials shirts and sweatshirts. Soon all pieces will be completed and ready for distribution.

STAGS Team Outfitting

Swimmers that have made STAGS will be expected to wear their solid navy blue suit at STAGS. They will be given a CCAA Championship Team swim cap to wear at the meet. If a STAGS swimmers has purchased a Team Wrap, there are two things you need to know. First, the back of your Team Wrap will say "CCAA STAGS Team 2006". The second difference will be that swimmers will be given a discount on their purchase of the Team Wrap. Please note the following:

If you qualified for _ Events, you will GET A Discount of:

Events	Discount
1-2 Events	25% Off
3-4 Events	50% Off
5-6 Events	75% Off
7 Events	FREE

Please speak to Miss Vicki for more information. Swimmers should order their Team Wrap through the Team Wear Order Form and they will be reimbursed the discount by the CCAA.

Keep Up-to-Date at ccmarlins.org

Swimmers and families are reminded that Newsletters, Meet Information and Entry Forms, Meet Results and other info can be found at the team website – www.ccmarlins.org.

Winter Junior Olympics to be Posted

In the next two weeks, the Meet Information Sheet for the Winter Junior Olympics will be placed on the website.

The meet will be held the first weekend of March, with events starting on Friday evening and concluding on Sunday. The meet will be held at the San Antonio Natatorium. Swimmers from San Antonio south will compete at this meet. We will compete under the CCAA banner, along with Club Estates, Coastal end and Flour Bluff.

Swimmers will compete in 50s, 100s and 200s as well as relays. There are no 25s at this meet. This is one of the reasons that many of our swimmers will be swimming 50s, 100s and 200s at the Cupid's Classic.

Our swimmers will be vying for top relay spots against other CCAA swimmers. Many of our swimmers should be placed on top relays. More info to come.
