### Lone Star Invitational and CCAA Sprint Meet

The Short course season got off to a wonderful start with two swim meets. During the weekend of 22-24 September, seven swimmers competed at the Lone Star Invitational in Round Rock. Last weekend, we hosted the Sprint meet. Results of the Sprint Meet are attached to this newsletter.

### Harvest Meet

Our next meet will be the Harvest meet, which is scheduled for 14-15 October. We will be working the refreshment stand for this meet, and we will need parents to help throughout the meet. This meet is two complete days. Please send an email to [didibyerly@aol.com](mailto:didibyerly@aol.com) and state when you are available to help at the refreshment stand. All parents are asked to work at shift, so that the workload will be spread out. The relay list for the meet is attached to the newsletter. Relays are \$10 each, or \$2.50 per child. Please submit your payment for your relays.

### Longhorn Unclassified

Our team will be participating in the Longhorn Unclassified meet on 20-22 Oct at the University of Texas. This is the first Longhorn meet that our team has participated in a long time. Entries must be turned into Annette ASAP as team entries are due on Monday, 9 October. Please read meet information located on the South Texas website. This meet will be swum fastest to slowest, instead of slowest to fastest. This may affect the events that you want your child to swim in.

### Swim Officials

We would like to hold another training session for people interested in becoming a stroke and turn judge. We need at least 5 people to commit to participate in order to hold the session. Please consider if this is something that you would like to do. If you are interested, please submit your name to [didibyerly@aol.com](mailto:didibyerly@aol.com).

### South Texas All-Star Meet

The Texas All-Star meet is approaching. This meet is for kids ages 11-14 who have achieved at least one current "A" time. The meet will be held in Midland Texas, November 11-12. Application fee is \$85. The fee is refundable if you are not chosen to participate in the meet. Kids will be required to ride the bus from and return to San Antonio. For more information, please see Coach Annette.

### Team Suits

The swim suits are in at Swimmin Stuff. The owner of the store has preordered many sizes. Many kids have already picked up their suits. If you need a suit, please see Donna Nelson. If purchased through the Parent's club, you do not need to pay sales tax. If purchased directly from the store, sales tax will be charged.

### Family Files

Please check your family files for meet information and awards.

### **Breaststroke Fins**

We are in the process of taking orders for breaststroke fins. The cost is \$30.50 if we get at least 12 ordered. Shipping is additional. Expected

total cost is about \$35. Sizes are 11-13, 1-3, 4-6, 7-9, and 10-12. Please turn your orders in by 20 October. We are also taking orders for the new zoomer fins. Cost is about \$23. If your child would like the older, red version, they will be \$18.
